

October 2016 Volume 1 Edition 4

Thanks to all the clubs who have had me visit. My visit since the last newsletter have been Kensett, Northwood, Lake Mills, Mason City Noon, Garner, Forest City Evening, Clear Lake Evening, Manly. I still have about six more clubs to reach out to. I have contacted some but they are very busy in the field and I understand that.

Thanks to following clubs who have contributed to the gift baskets, Humboldt, Rowan, Burt, Hampton, Parkersburg, Kensett, Garner and Mason City Noon. I sent a letter for requesting gift baskets or money to go towards gift baskets. If you decide to do a gift basket, Darwin or I can pick them up when we visit your club. If you decide to give money, please make the payable to District 9NC Lions Club and send to my address at 1106 Alden St. Alden, IA 50006.

District 9NC applied for an Emergency grant from Lions Club International Foundation. We were awarded \$5,000.00 for Clarksville. On October 3<sup>rd</sup>, we distributed 100 Lions gift certificates to flood victims in the town of Clarksville. They could purchase food and cleaning supplies at K & S Grocery and Orly's Meat Locker in Clarksville. President Larry Johnson, Secretary Bill Tjaden, Treasurer Robert Fenneman, Lion Pete Jensen and I helped distribute the Lions gift certificates. This is true example of why we are Lions and the great things that LCIF does for us and we helped someone in our own backyard. Please remember to contribute to LCIF each year. The amount can be what your club decides. It is not about the dollar amount you give but that you gave to LCIF.
